OPTIKEREN

Become an advertiser in OPTIKEREN and get your message to the right target audience

DENMARK'S LEADING MAGAZINE FOR THE OPTICS INDUSTRY

OPTIKEREN is the industry's sharp and serious trade magazine for everyone who works professionally with optics.

In each issue of OPTIKEREN, we work diligently to create an inviting, thoroughly researched magazine with relevant, engaging, and reliable articles that provide readers with professional knowledge, perspective and inspiration.

Our mission is to deliver news, features, expert articles and interviews on everything happening in the industry – from the latest research and education to products, store management, company profiles, conferences and fashion.

OPTIKEREN is published 4 times a year and is distributed to owners and staff in optical stores, suppliers, eyewear designers and educational institutions across the country, giving us a large and valuable audience.

Our readers are motivated and have a genuine curiosity and thirst for knowledge. For this reason, OPTIKEREN is the most effective and direct medium for reaching all players in the industry. We are also available on magasinetoptiker.dk, ensuring your advertisements a lasting impact.

As a current or prospective advertiser, I hope you see the advantages of being part of the magazine's unique universe. I personally look forward to continuing our successful collaboration in 2025 and I am always open to your ideas for editorial content.
